

Message from Principals' Desk

Dear Students,

Welcome to the most awaited programme of our School – The Super Achievers' Award Ceremony, 2022 !

The 2021 – 2022 batch is very special as you are our first Hybrid batch.

The first part of your course was during the Pandemic, and you must have enjoyed the second part while the school was running sometimes online and sometimes in the offline mode. You have faced the Pandemic at a very early age and are tougher and smarter than your parents and teachers. A lot has changed over the last 2 years.

Your marks and achievements are being honoured today, but always remember the humbleness and values you imbibed at home and in school during your formative years will help you in building a strong and promising career.

We would like to congratulate all our achievers on their amazing performances in the various exams for this year. The hard work has paid off and is going to be rewarded in a plethora of ways hopefully. Thanks must be given to the teachers, parents and mentors who have guided these students towards their goals and helped them keep their morales high during the hardest phases of the examinations.

Our best wishes and blessings for a happy, healthy and successful life ahead !

PRAGYA SINGH
Principal
