DAV PUBLIC SCHOOL, BISTUPUR, JAMSHEDPUR SCHOOL PROFILE

"The road to freedom-here and everywhere on earth-begins in the classroom".

ABOUT SCHOOL

"The main aim of education is to create human awareness, so that they can understand the difference between the truth and untruth." - Swami Dayanand Saraswati.

DAV Public School, Bistupur was established in the year 1995, in the heart of the Steel City, Jamshedpur, with 500 students and 18 teachers to bring about a balanced and harmonious development of the future citizens of the country and to infuse in them the ideals of Vedic culture. The school functions under DAV College Managing Committee which has contributed to nation building by pioneering private initiation.

For over two decades, DAV Public School, Bistupur has made an indelible mark in the world of meaningful education by focusing on creating truly global citizens who are capable to adapt and deal with the demands of the 21st century. The school is affiliated to Central Board of Secondary Education (CBSE).

VISION OF THE SCHOOL:

To transcend the school towards global excellence fostering human values.

MISSION OF THE SCHOOL:

Setting up global trends in teaching & learning to promote Critical thinking & Innovation as a preparation for dynamic and inclusive society anchored on DAV philosophy.

GUIDING PRINCIPLES:

❖ Holistic Learning

We believe that each child is unique and learns differently. We ensure our students have a well-rounded education with a focus on spiritual, mental, social, natural, emotional, creative and physical well-being.

❖

❖ Creativity and Critical Thinking

The curriculum focuses on developing a child's imagination and giving room to critical thinking and creativity.

❖ Life-long Learning

We want our students to be lifelong learners and we encourage curiosity and inquiry through experiential learning, art integrated learning, activity-based learning and project-based learning leading to education that goes across and beyond the text.

INFRASTRUCTURE

The school has a strong infrastructure spread over 4.5 acres with 5 buildings, 110 class rooms, 70 LCD projectors and 224 computers, 50 **Interactive panels** loaded with content of Tata ClassEdge for running smart classes, 2 Audio-Visual halls, 2 multipurpose halls, 6 well equipped labs, Atal Tinkering Lab, well stocked library with 21 magazines, 08 journals and 24,437 books, a Music Hall with Indian and Western musical instruments, an infirmary, an Art room, 1 basketball court, Games room and a playground spread over 1.6 acres. Outside the classrooms on each floor, we have provision for water coolers that supply cold water to students at all times.

In the academic session 2024-25, with an enrolment of 4043 students and 120 professionally committed, goal oriented, innovative and inspiring teachers and 42 sub-staff, under the visionary leadership of the Principal, students passed with flying colours and cleared various competitive National/International entrance examinations to study in India and abroad.

With a vision to cultivate one million child innovators in India, Atal Innovation Mission by NITI Aayog and Government of India envisaged a novel program - establishment of Atal Tinkering Laboratories in schools across the country. Our school is also a part of the mission which creates an enlightening environment to foster scientific temper, innovation and creativity amongst students.

PEDAGOGY:

The school follows the curriculum designed as per CBSE guidelines and books prescribed by DAV Centre for Academic Excellence for classes LKG to VIII while for IX to XII, NCERT books are followed.

NEP 2020 is helping to build a generation of students who are well equipped to navigate the challenges of the 21st century and make a positive impact on the world. Keeping this in mind we have adopted a teaching methodology centered on the '4Cs' – the 21st century skills of Communication, Collaboration, Creativity and Critical Thinking. The focus is on using innovative practices to promote self-learning and Independent thinking.

Nursery to Std. II comes under the Foundational Learning - Bal Vatika as per the recommendations of NEP-2020 and focuses on the play way method. This helps our little ones, develop their personal, social, behavioural, intellectual, communication and motor skills. DAVCAE has prepared educational kits titled "Child Craft" for early childhood section which focuses on fun way of imparting learning that stimulates development of different areas of personality.

In Primary classes (I-V) we encourage active collaboration and inclusive education to work effectively with others to achieve common goals. In the Middle School (Classes VI-VIII), we practice Integrated Learning, which fosters creativity to help them think out of the box and come up with new and innovative solutions to the problems they will face in future.

The Senior School (Classes IX-XII) curriculum follows competency-based education which enhances critical thinking skills through observation and self-reflection. Assignments are designed based on Bloom's Taxonomy, to help students develop problem-solving skills and to apply what they have learned in real world situations. It encourages decision making and aims at creating global citizens and leaders of tomorrow.

We use experiential learning across the board, where students are immersed in experience and reflection that help them develop new skills, attitudes, and ways of thinking. Art Integrated Learning is a model of teaching that places emphasis on learning through and with the arts, rather than rote-learning through texts and focusing solely on the written aspects, all make room to learn creatively and engage with the concepts and themes in a more experiential and hands-on approach.

COMMITTEES:

We have various committees like Admission committee, Examination committee, Time table committee, Purchase committee, Press committee and Catering committee to look after various requirements of the school thereby helping in the smooth functioning of the school. The heads of all committees play an important role in the administration of the school along with Principal. 4 Supervisory heads at pre-primary, Primary, Middle school and senior school levels, look after the administrative & academic needs of the school.

FACILITIES OFFERED:

In synchronization with the changing scenario and digital world, the school has the facilities for more accurate, speedy and transparent transactions like Online Payment of fee, Online form filling, downloading of admit cards and selection letters, availability of information on a single platform to the outside world through the school website daybistupur.org. We have various communication forums like 6 PT meetings throughout the academic session, interaction of parents with teachers through prior appointment and What's App media. Enabling the school with Wi-Fi and installing the LCD Projectors and computers helped the school to take a big leap into the technological pedagogies of teaching learning, in the year 2016. Ensuring safety and security of the school, it adheres to all the guidelines of CBSE by installation of CCTV cameras in all the classrooms and strategic areas with the day to day recordings of the activities thereby.

CAPACITY BUILDING PROGRAMMES:

Capacity Building Programmes are conducted twice a year under the aegis of DAVCAE, New Delhi to cover the 25 hours mandatory In house training. It facilitates the teaching faculty to enrich and equip with the latest methodology. In addition to these Capacity Building programmes, the school also sponsors teachers for attending training programmes conducted by CBSE at Delhi, Teachers also attend 25 hours CBSE training programs to enhance their understanding of curriculum and delivery mechanism and other professional qualities.

INTER SCHOOLEVENTS

The school organizes inter school mega events like “AURORA”, “ECSTASY” and “BIOLOGY FEST” where children from different city schools display their innovative ideas, talents and versatility.

DAV Bistupur MODEL UNITED NATIONS (DBMUN) is organized to encourage students to be aware of the problems of the world, inculcate universal brotherhood and become potential leaders of tomorrow.

GAMES & SPORTS

“DAV NATIONAL SPORTS” is a forum for all sports lovers to prove their mettle in various track and field events. The students are nurtured rigorously to show their abilities at Cluster, Zonal and National levels

DAV Public School, Bistupur always aspires for new goals each year and puts its best foot forward to work in the same till the goals are achieved. The school is proud to have provided the foundation to many of the alumni to build successful careers and more importantly to become worthy global citizens.

SOCIAL RESPONSIBILITY:

Interact club of our school is a platform to discover the power of “Service above Self” and make the students conscious global citizens. The club endeavours to spread awareness towards reckless use of plastic and its severe negative environmental impact through Tree – Plantation Drive and Plastic Collection campaign.

Visit to Orphanages and Old Age Homes to distribute food, clothing, cleaning materials, collection and distribution of sanitary pads to ignite awareness of hygiene in suburbs were amongst the multiple drives undertaken by the club.

A cleanliness drive which lent strength to our existing resolve of maintaining a clean environment also proclaims that the club is incessantly working to improve lives and communities.

SUPERACHIEVERS:

The school felicitates all super achievers in the “SUPERACHIEVERS AWARD CEREMONY”.

Dedication is essential to success. Success starts with inspiration. The idea behind organizing Super Achievers Ceremony is not only to felicitate all the students who secure 90% in AISSCE, AISSE and qualified in National Level Entrance Examinations like JEE MAIN, JEE ADVANCED, NEET, CLAT but also to inspire every child, who enters the portals of DAV to dream big. The outcome of all efforts and endeavours for the session 2024-25 are as follows:

NAME OF THE EXAMINATION	NO. OF STUDENTS QUALIFIED
JEE ADVANCED	16
JEE MAIN QUALIFIERS	44
UCEED & NID	01
NEET QUALIFIERS	04
CLAT QUALIFIERS	02
AISSCE - STD.XII – (Secured more than 90%)	59
AISSE - STD.X –(Secured more than 90%)	94

PRINCIPAL'S DESK

At the heart of education lies the promise of transformation. At our school, we are deeply committed to nurture not only intellectual brilliance but also the emotional, physical, and ethical growth of every learner. We believe that school should be a place of joy, a space where children are excited to arrive each morning, where learning is an adventure, and where curiosity is celebrated as much as achievement. Regular attendance, holistic development, and active engagement are the pillars upon which our educational philosophy rests.

This academic year has been an extraordinary one marked by triumphs that speak volumes about the diligence of our students, the dedication of our educators, and the trust of our parent community. Our learners have made us immensely proud across academic and co-curricular fields, emerging as leaders, scholars, athletes, and change makers.

In the CBSE Board Examinations, a resounding number of students demonstrated academic excellence: 94 students in Class X and 59 students in Class XII scored above 90%, exemplifying the culture of discipline and hard work that defines our school. Among them, Dhruva Prakash of Class XII secured All India Rank 385 in JEE Advanced and became the Jamshedpur Topper. Aryan Mishra brought further glory to our institution by attaining AIR 40 in JEE Main, emerging as the Jharkhand Topper. Kaushiki Pathak showcased brilliance in the legal arena with AIR-89 in the prestigious CLAT examination, while Prakhar Jyoti achieved a perfect 100 percentile in the MAH-LL.B 5-Year Integrated CET 2025. In the realm of design, Kaushik Kushal Bhoi secured AIR 195 in UCEED 2025 and AIR-5 in NID-2025, reinforcing our students' versatile capabilities across disciplines.

Equally commendable are the achievements of our students in sports, where they demonstrated grit, determination, and remarkable talent both at the International and DAV National Level. From martial arts to cricket, our young athletes excelled across various disciplines. We are immensely proud to announce that Shreyash Shekhar, a student of Class XI-A4, represented India as a forward player in the 1st Junior Roll Ball World Cup – Under-17, which took place in Nairobi, Kenya, from 22nd to 29th June 2025. Displaying exemplary skill, dedication, and team spirit, Shreyash played a pivotal role in leading the Indian team to a glorious victory, clinching the Gold Medal in this prestigious international tournament. In DAV National Level, Gold medals were won in Taekwondo by Fiza Khan of Class IX and Smridhi Singh of Class XII in the Under-17 and Under-19 categories respectively. In Wushu, Subhasmita Kar of Class XII and Kingshuk Dev of Class X emerged victorious in their respective age categories. Samridhi of Class V clinched gold in Boxing (Under-14), while Abhigya (Class V), Ishita Das (Class XI), and Saima Gani (Class XII) earned gold in Weightlifting in the Under-14, Under-17, and Under-19 divisions respectively. The field of archery also saw a shining performance, with Shivalika Kar of Class VI winning gold in the Under-14 girls' category. Our school cricket team added yet another feather to our cap by winning the championship titles in both the Under-17 and Under-19 categories.

These accolades are testaments to the power of perseverance, discipline, and dreams nurtured with dedication. And yet, beyond these shining examples of success, lies the equally important story of every student who showed up each day, tried their best, and continued to grow despite the hurdles. To those who may not have achieved their desired results this year, I wish you to remember that success is not always immediate, nor is it linear. Your efforts matter. Your journey is important. And your growth, however gradual, is worthy of celebration.

Dear children, believe in your potential, trust the process, and continue striving forward with courage in your heart and resilience in your spirit. Every day is a new opportunity to learn, to improve, and to rise. We are proud of who you are becoming not just for what you achieve, but for how you evolve.

To our dedicated staff, ever-supportive parents, and entire school community thank you for your unwavering commitment to shaping a future that is not only bright but also meaningful.

Together, let us continue to walk this path of excellence with integrity, vision, and hope.

Pragya Singh,
DAV PUBLIC SCHOOL,
PRINCIPAL CUM ARO, JHARKHAND ZONE-E

**JEE ADVANCED EXAMINATION-2025
JAMSHEDPUR TOPPER**

**DHRUVA PRAKASH
AIR-385**

Heartiest Congratulations!

Dhruva Prakash, a shining star of DAV Public School, Bistupur, has made us proud by securing an impressive AIR-385 in JEE Advanced and emerged as the Jamshedpur Topper.

We extend our warmest congratulations to Dhruva for his outstanding achievement, dedication, and hard work. His success is a testament to his perseverance and passion for excellence.

May this accomplishment be a stepping stone to greater heights, and may he continue to inspire his peers with his remarkable achievements. We would also like to congratulate Dhruva Prakash's proud parents Mrs. Priyanka and Mr. Ram Niranjana Singh for their unwavering support and all allegiance which has brought this glory in Dhruva's life.

Best wishes to Dhruva Prakash for his future endeavours!

**JEE MAIN EXAMINATION-2025
JHARKHAND TOPPER**

**ARYAN MISHRA
AIR-40**

Congratulations to Aryan Mishra, Jharkhand Topper in JEE Main 2025!

A stellar achievement! Aryan Mishra from DAV Public School, Bistupur, Jamshedpur, has made history by securing an impressive All India Rank - 40 in the JEE Main Entrance Examination 2025, becoming the top scorer from Jharkhand.

Aryan's success is a shining example of the power of focus, hard work, and perseverance. Under the guidance of his dedicated teachers and mentors, he has carved a niche for himself, making his school, DAV Bistupur, and the entire state of Jharkhand proud.

The DAV family extends heartfelt congratulations to Aryan on this remarkable achievement and congratulates Aryans's parents Mrs. Nitu Mishra and Mr. Akhilesh Kr. Mishra for being the pillar of strength in Aryan's life and motivating him incessantly to achieve this pinnacle.

We wish Aryan Mishra all the best for his future endeavours and hope he continues to inspire others with his dedication and passion for excellence.
